

# DATASHEET

Central plate 45x45mm for 1 keystone, outlet slanted

Article no.

ET-25027

## Description

Central plate 45x45mm outlet slanted for 1 x keystone  
For the countries Poland, France, Turkey and Mediterranean area

## General data

|                      |                    |
|----------------------|--------------------|
| Assembly arrangement | central plate      |
| Utilization          | modular Jack       |
| Support ring         | False              |
| With dust cover      | True               |
| With hinged lid      | True               |
| Imprintable label    | without label      |
| With imprint         | False              |
| Mounting method      | other              |
| Material             | Kunststoff         |
| Material quality     | other              |
| Halogen free         | False              |
| Surface treatment    | other              |
| Type of surface      | not applicable     |
| Transparent          | False              |
| Type of fastening    | Mounting with claw |
| Strain relief        | False              |
| Luster terminal      | False              |

## Available variants
